RADUNO ED ESPOSIZIONE DI MOTOSCAFI RIVA D'EPOCA

JUNE 2 > 5 , 2017  
SANTA MARGHERITA LIGURE

## THE EVENT

Following the great success of June 2015 First Edition, the Tribute to Carlo Riva is back in Santa Margherita Ligure, first week end of June 2017.

The Tribute, already in agenda together with other 2017 city events, is promoted by Santa Margherita Ligure Municipality in cooperation with the Committee "Team for Santa", the local Pro Loco and other important business realities of the District.

From Thursday June 1 to Monday June 5, 2017 ship owners of superb Riva vintage motorboats and few more recent models, members of "Riva Historical Society" and "Riva Society Italia", will gather in Santa Margherita Ligure to have a short holiday, visiting the splendid neighborhoods and offering the audience of locals and tourists an elegant parade.

The harbor area reserved to the event is **Calata del Porto**, where guests will have mooring at pier **CNL Centro Nautico Ligure**; parking facilities for cars and trailers in the near "Spertini" area.

**2015 edition was attended by 22 motorboats and approximately 100 guests.** The wide positive acknowledgment by participants asking for a sequel (second edition) raises hopes for more participants in 2017.

Also 2017 Tribute is under the patronage of "Riva Historical Society" and "Riva Society Italia" Associations, promoting it among their members.
